NEW ILEX CRENATA

GREEN ISLAND HOLLY

Plant Pat. 817

A new compact form of *Ilex Crenata Microphylla* with no awkward breaks of upright leaders. Where low, spreading, broad-leaved evergreens are needed, GREEN ISLAND HOLLY is the answer.

Exactly right for foundation use, low masses or specimens.

Happy in sun or moderate shade, wet or dry locations, lime or acid soil.

Has the same dark green appearance summer and winter.

Compact growing, requires no shearing.

Is hardy in the same range as Convexleaf Holly (*Bullata* or *Convexa*).

TERMS AND CONDITIONS OF SALE

This list cancels all previous quotations. All agreements and contracts are made subject to crop losses through unavoidable causes.

THE PRICES in this list are based upon present market conditions and are subject to change without notice. These are wholesale prices and apply only to wholesale quantities; in no case will we fill retail orders even from nurserymen. All orders should be made up of 10's or multiples of 10.

TERMS. 30 days net, 2 % discount 10 days, from date of shipment. Interest at 6 % per annum to be paid after maturity. These terms are offered to those of established credit. Cash, security, or satisfactory references are required from unknown parties. All shipments are F.O.B. Shiloh, New Jersey, unless otherwise agreed.

SHIPPING. Customers are requested to give definite instructions for shipping. In the absence of special instructions we will use our own judgment, but with the distinct understanding that it is without responsibility on our part. All shipments travel at the risk and cost of the purchaser.

BOXES AND BALES will be charged at actual cost.

CLAIMS for any cause must be made promptly on receipt of goods. Any stock that is not exactly as represented must be reported promptly and on authority should be returned to us immediately. We will cheerfully and without question credit back the unsatisfactory plants, or send others; but we will not entertain claims made after goods have been once accepted, or when report is not made within ten days after arrival of the stock.

LIMITED LIABILITY AND NON-WARRANTY. We express or imply no warranty as to productiveness or life of the stock we sell. It is mutually agreed that our liability for untruthfulness to name is confined to free replacement or refund of purchase price plus interest, and should the stock prove to be untrue to the name under which it is sold, it is further agreed that such adjustment shall be the liquidated damages and all the damages to which the purchaser shall be entitled by reason of the premises.

INSPECTION. Certificate of inspection will be furnished with every shipment.

SPECIAL NOTICE. Correspondents are requested to use their printed business letterheads. We do not quote price to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

LOCATION. We are located 4 miles west of Bridgeton on Bridgeton-Salem Pike and cordially invite a visit and inspection of our establishment.
